Welcome

As life gets busier it is important to make time for you. Located only 10 minutes from the CBD, Masque Day Spa is an urban retreat committed to ensuring Your Time is well spent in relaxing and invigorating your mind and body.

To help us make the most of Your Time at Masque Day Spa, we appreciate on time arrival. Being mindful of noise levels will enhance the experience for all and where possible please make alternative arrangements for children.

Mary Cohr Face Care Treatments

At the forefront of skincare research, Mary Cohr is a unique professional range that effectively combines science with nature. Using high performance active ingredients, essential oils and dermo-aesthetics techniques, Mary Cohr facials produce immediate visible results while immersing you in a relaxing and sensorial experience. All Mary Cohr facials include a skin consultation and analysis to allow us to best serve you and your skin.

Catiovital

For healthy and rejuvenated skin
\$165 // ☉ 1h 15m

A customised treatment that deeply cleanses and rejuvenates the skin by infusing cells with energy and active ingredients that target specific skin concern including dehydration, pigmentation, break outs, sun damage and signs of ageing.

Catiolift

Instant lifting treatment
\$180 // ☉ 1h 15m

A workout for your face, this treatment assists in building muscle tone by contracting and stimulating facial muscles combating sagging, slackening skin. Features are lifted and facial contours are re-sculptured.

Beaute Aromatique

Personalised treatment with Essential Oils
\$135 // ☉ 1h

This treatment combines effectiveness with pleasure of the senses. Tailored specifically for you, a blend of essential oils is applied using the expert techniques of your Mary Cohr therapist. Ideal for anyone who wants to unwind but still have a result driven treatment.

Beaute Lifting

Firming and smoothing treatment with Pro-Collagen
\$170 // ☉ 1h

This intensive skincare treatment with pro-collagen has a tensor action that helps to plump and firm facial contours. It helps to re-establish the skin's tone and natural luminosity for a brighter, more radiant and lifted complexion. Ideal for tired, slackening skin that is showing signs of ageing.

Peel And Lift

Skin renewal treatment with fruit acids and vitamin C.
\$95 // ☉ 45m

This treatment helps to eliminate and regenerate the skin, leaving it radiant and luminous. The complexion is visibly more even and brown spots are diminished. This treatment is ideal for those seeking quick and instant results. Ideal as a course of treatment or before a special occasion.

Age Repair

The ultimate solution for signs of ageing
\$190 // ☉ 1h

An exclusive treatment that targets signs of ageing; wrinkles and fine lines, loss of firmness, lack of radiance and dark spots. After one treatment, wrinkles and fine lines are smoothed; the skin is firmer and radiant, left with a bright luminous smooth appearance.

Eye Repair

Intensive eye treatment
\$85 // ☉ 45m

This intensive treatment is designed to cater for the three main concerns with the eye area; dark circles, puffiness, deep lines and wrinkles. Using ionization and patented active ingredients, crows feet are minimised, puffiness and dark circles are attenuated, signs of fatigue are erased leaving you with youthful looking eyes. Perfect as an add on treatment or on its own.

Face Time Rituals

All of our facials include a skin consultation and diagnosis to allow us to best serve you and your skin.

Express Facial

\$69 // ☉ 35m

This express facial is ideal for when your skin needs a little TLC but when time is of the essence.

Tailored to suit your concerns, we will cleanse, exfoliate and treat the skin with a customised masque.

Better than Botox Facial

\$180 // ☉ 1h 30m

Visible results after just one treatment. Inspired by micro-injections this facial is a fast and effective solution especially for expression wrinkles. Using Germaine de Capuccini's unique peptide formula Micro-Dermoxine, this treatment helps to correct and deter further signs of ageing.

Your Time Facial

\$125 // ☉ 1h

This facial is all about you and for you. Whether you have dry, sensitive, combination, oily, acne concerns or mature skin, this tailored treatment with active serums and tailored masques will leave your skin refined and rejuvenated.

Photo-Rejuvenating Facial

\$185 // ☉ 1h 15m

Intense Pulsed Light (IPL) photo-rejuvenation facial treats the effects of sun damage such as pigmentation and redness, as well as other concerns such as rosacea, hyper pigmentation, uneven skin texture and discolouration. It minimises wrinkles and fine lines leaving the skin with a radiant complexion.

Anti Ageing Facial

\$145 // ☉ 1h 15m

This anti-ageing facial treatment with a professional strength AHA peel to refine the skin, stimulates cell regenerating and minimises fine lines and wrinkles.

Exfoliating Peel

\$80 // ☉ 45m

A professional strength exfoliating treatment that promotes cell renewal, perfect for uneven skin tone, pigmentation, flakiness and dull, tired skin. Your skin is left smooth, radiant, and more youthful in appearance. For best results we recommend a course of 6 weekly treatments.

Add Ons

Microdermabrasion

Body Time Rituals

Masque Leg & Feet Revival \$65 // ☉ 45m

A fabulous treatment for those aching legs and sore feet. This treatment includes a foot bath, exfoliation, a masque and a massage from the ankle to the knee to improve circulation to the legs and wash away sensations of tiredness and discomfort to your feet.

Moisturising Body Treatment \$120 // ☉ 1h

This treatment begins with a scrub, a stunning mineral mud is then applied to the entire body. While cocooned allowing the clay to infuse your skin, a scalp massage will relax you. We finish with a shower and moisturiser. The final result is super-soft and glowing skin.

Purifying Back Treatment \$75 // ☉ 45m

Take a load off, de-stress your shoulders and purify your back of any impurities with this treatment. A deep cleansing scrub is followed by a clarifying masque to draw out impurities. The treatment is finished with a massage to relieve tension and leave you feeling relaxed.

Nourishing Body Experience \$135 // ☉ 1h 15m

A revitalising scrub, followed by a nourishing and repairing wrap and a final touch of ÉLIXIR with extracts of myrrh and amyris which will leave your skin feeling soft, nourished and beautified.

Exfoliating Body Treatment \$95 // ☉ 45m

This exfoliating body scrub will remove dead skin cells and rough patches allowing the skin to regenerate. After a shower, a deep hydrating moisturiser is massaged leaving your skin soft and supple.

Firming Body Treatment \$140 // ☉ 1h 15m

An invigorating body scrub prepares the skin, followed by a firming body wrap and a specific massage that tones and leaves your skin supple and hydrated.

IPL Hair Removal

Tired of the never ending cycle of shaving and waxing? IPL (Intense Pulsed Light) utilises a broad spectrum of light which is transformed into heat energy to destroy the hair at its root, assisting with permanent hair removal. All treatments for this service require a consultation with a patch test to properly assess and determine the most appropriate course of treatments in accordance to your hair growth and skin type. This treatment also assists by improving skin texture, reducing pore size and assist with inhibiting the growth of ingrown hairs. Our treatments utilise advanced technology to safely, effectively and permanently remove unwanted hair.
